## JANUARY TRANSIT SERVICE CHANGES

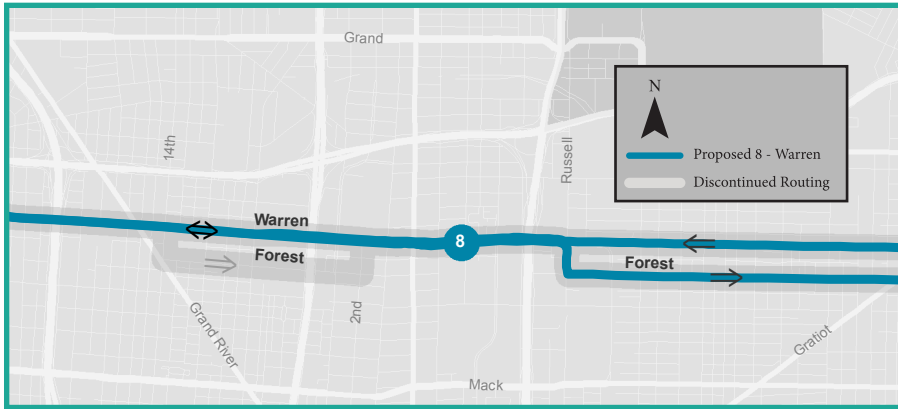

DDOT is proposing a variety of changes and improvements for January 26, 2019. **All items listed here are PROPOSALS.** Please attend public hearings and give us feedback. After careful consideration of public comments, we will announce final service changes in mid-January 2019.

## 4 Woodward

- Improve Weekday morning peak and mid-day service to **every 12 minutes**
- Improve Weekday afternoon peak service to **every 10 minutes**

## 8 Warren

- Eastbound service between 14th and Second moves from Forest to **Warren**
- Service on Forest between 14th and Second discontinued
- All Days, very minor time changes to reflect new routing

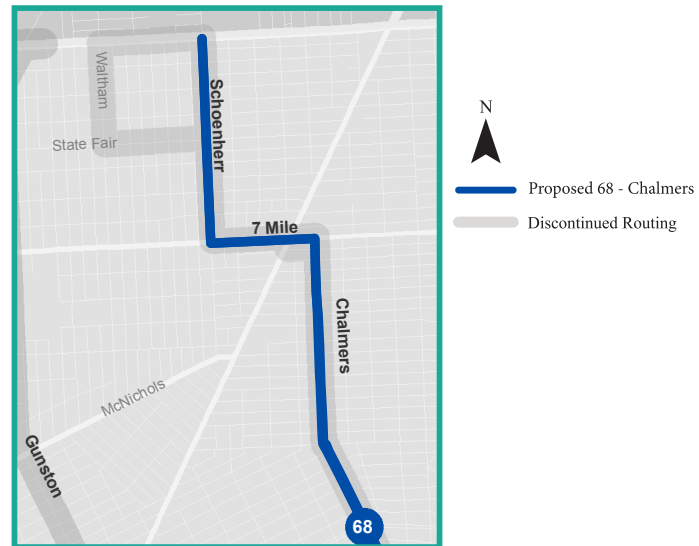

## 10 Greenfield

- Weekday, move two Northbound trips seven minutes later (affected trips currently depart Fairlane at 10:53pm and 11:53pm)

## 13 Conner 68 Chalmers

- Revise service south of Jefferson (in Jefferson/Chalmers and Jefferson/Conner area)
  - Instead of the current part-time loop on 13 - Conner, introduce new service on an extended and simplified 68 - Chalmers
  - Service is available every day, all day
- Extend both routes to the shopping center (at Jefferson & St Jean area)
- Establish a new transferless transfer between the routes at Jefferson & St Jean
- At the **north end of 68 - Chalmers:**
  - Remove all routing on State Fair, Waltham and 8 Mile
  - Service travels on Schoenherr between 7 Mile and 8 Mile in both directions
  - Instead of part-time service to Schoenherr, the route travels here at all times
- **Both routes:** Saturday and Sunday, extend hours of operation
- **Both routes:** All Days, revise schedule times for more reliable service
